THE CHAPEL**

Let us strengthen the foundation for our future as we stand on the threshold of the next 50 years.

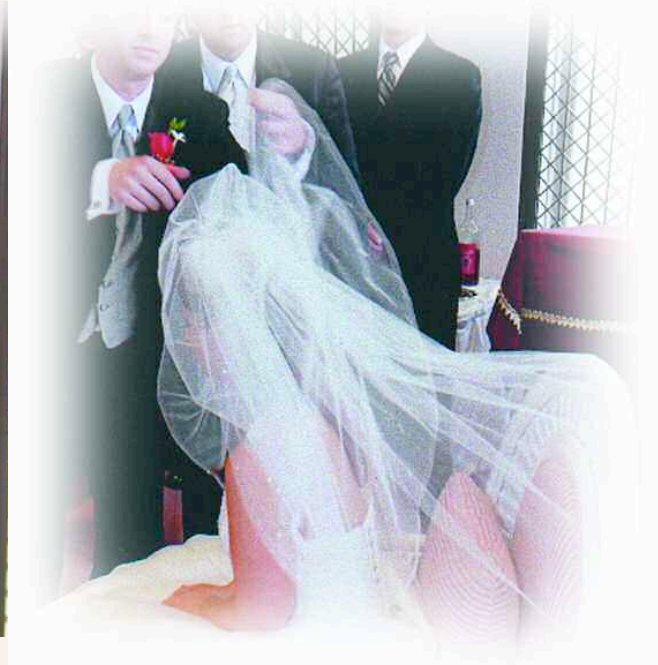

Help us renovate our Synagogue

Become an integral part of the renewal process

Make your mark with a re-dedication commitment

Beth Emeth Bais Yehuda Synagogue

CHAPEL RE-DEDICATION

The inaugural undertaking of Beth Emeth's "Becoming Our Best" capital campaign, is the renovation of the Chapel. The new interior will incorporate the latest in sanctuary design with the best of our time-honoured traditions.

The chapel's natural illumination will be enhanced by a beautiful blend of custom designed stained and tinted glass adding more aesthetic beauty to the chapel.

The Reader's table for the Torah service and for leading prayers will be relocated to the center of the room fostering a more inclusive and participatory atmosphere.

The new seating will feature a more traditional style, with pews encircling the Reader's table, while retaining the Ark's prominent position at the front of the chapel in full view of all congregants.

Now at floor level, the Ark, the Reader's Table and the entire chapel will be user friendly and barrier-free. There will even be a designated location for wheelchairs.

Cabinet drawers will be made available so those who attend services regularly can securely store their talit-tefilin in the chapel and no longer have to bring them from home.

Additional enhancements include:

- *chapel floor made entirely of white Jerusalem Stone imported from Israel.
- *a prominent Ner Tamid (eternal light).
- *comfortable seating in refinished pews
- *new energy efficient light fixtures
- *contemporary interiors

This beautiful state-of-the-art chapel will be a source of pride for our entire synagogue community.

There are many outstanding opportunities for you and your family to participate in. Please join us in "Becoming Our Best".

The architect's renderings of the Chapel can be viewed at www.beby.org/chapel, or please visit the shul office.
