The mission of The Samuel Edelstein Children's Garden* will come to life through its distinctive landscape architecture and design.

The Children's Learning Concourse will host our community's youth as they congregate to learn the lessons of the Holocaust and to discover how to participate in acts of "tikkun olam" - repairing the world and making the world a better place for all. And finally, the paving stones inscribed with the names and hometowns of the children who perished will be interwoven through all of the elements of the Garden. In this way, the legacy of each child will live on forever in the hearts of their surviving families, friends and communities.

The Chuppah Plinth, the focal point of the Garden, will host wedding ceremonies and enable Jewish couples - about to embark on their new Jewish lives together - to renew their commitment to their Jewish future. The water wall of life, the backdrop to the chuppah plinth, will flow year round as a symbol of the on-going renewal and hope of the Jewish people. The open concourses, promenades and the arboretum will welcome all guests - extending hospitality to the community in a spirit of tolerance and mutual understanding.

*We are deeply grateful to the family of Samuel Edelstein ל"ה for their generosity and support in enabling this beautiful garden to be established.

THE SAMUEL EDELSTEIN Children's Garden

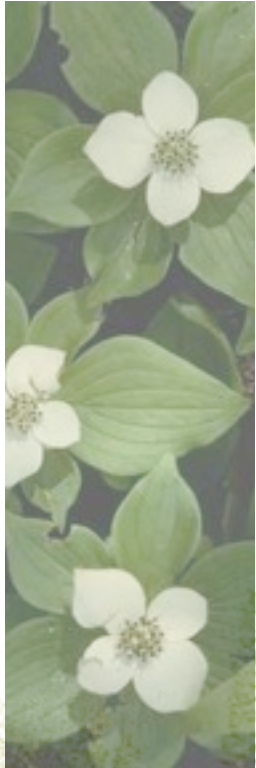

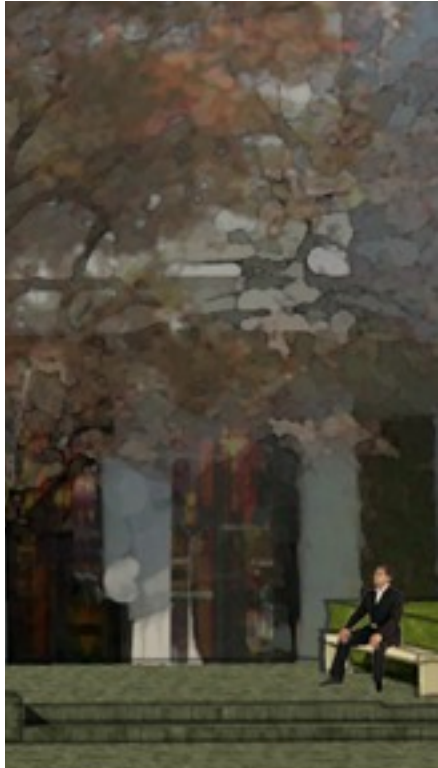

AT BETH EMETH BAIS YEHUDA SYNAGOGUE

Beth Emeth Bais Yehuda Synagogue is deeply committed to the continuity of the Jewish people and to the survival and renewal of the eternal Jewish spirit.

Paving stones can be purchased for \$180.00 each, engraved with the name of the child and their birthplace.

Beth Emeth Bais Yehuda Synagogue's commitment to build for the future on the foundations of the past, coupled with the acknowledgement of the legacy created by our significant community of Holocaust survivors, leads us to the understanding that our Synagogue has a unique responsibility to ensure that the memory of those who perished in the Holocaust is preserved.

Within this framework, The Samuel Edelstein Children's Garden will honour and celebrate the memory of the children who perished in the Shoah through the establishment of a landmark testimonial to them and to the indomitable spirit represented by each child.
